

# Yarnell Remembers

## and Honors the 19

We are collecting funds to build a Memorial in honor of the 19 members of the Granite Mountain Interagency Hotshot Crew who lost their lives and to honor those who lost everything else in the Yarnell Hill Fire of June 30, 2013.

**We need  
Your  
help.**

## Our Goal: 2000 Bricks

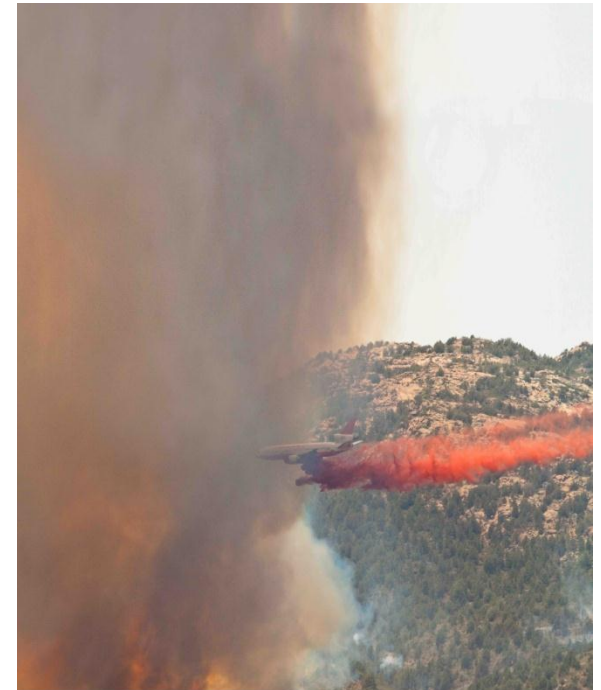

Yarnell Rising Commemorative Bricks will be used at The **Yarnell Hill Fire Memorial Park®**, at Highway 89 and Shrine Road in Yarnell. The site has been purchased with donations specified for the Memorial.

The Frank Lloyd Wright School of Architecture is developing the landscape design for the park, where the bricks will be incorporated.

Your message can honor the 19 fallen firefighters or express other sentiments that support those affected by the Yarnell Hill Fire. Messages can have up to

three lines, maximum of 15 characters per line (including spaces). The commemorative bricks are priced at \$100, \$200 or \$300; bricks closest to the Memorial will be those purchased at \$300. ***Your purchase is tax deductible.***

The bricks are produced by a small, family-owned Arizona company, which has donated a brick for each of the fallen firefighters.

If you purchase a brick, you will receive a photo of the brick and a receipt for tax purposes.

Placement of bricks at the memorial site in Yarnell will be determined by the YHRG Memorial Committee. The goal is to have the bricks in place by the second anniversary of the Yarnell Hill Fire, June 30, 2015. The Committee will decline messages not appropriate for a memorial.

You can help us by supporting our effort at churches, your work place, club meetings, fraternal organizations, VFW and American Legion, fire crews, housing associations, and other groups.
